Re: Application of Cougar Moving Company, LLC for Approval to Amend Class E (Household Goods) Certificate No. 9800, along with a Request to Amend Its Tariff (See Certification Docket No. 2012-284-T)
Docket No. 2019-105-T

Dear Ms. Boyd:

This letter is to advise the Commission that the Office of Regulatory Staff does not oppose Cougar Moving Company LLC's Motion for Expedited Review of the Petition filed on June 20, 2019. The motion accurately states that the applicant has filed an affidavit indicating compliance with the publication requirement, a shipper witness affidavit, and that no parties oppose the application. Cougar Moving has been operating in Charleston, Berkley, and Dorchester counties without complaints since 2013, and ORS does not oppose waiving the hearing for statewide authority.

This letter also serves as notification that the ORS Transportation Department has reviewed the application of Cougar Moving to amend its tariff and determined that the company is in compliance with all applicable Commission rules and regulations. The ORS Impact Study for Cougar Moving is detailed below.

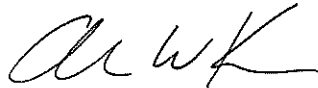

ORS Impact Study Results

1. Exhibit A includes a calculation of the percentage increase/decrease in the proposed tariff.

2. ORS conducted a compliance review of Cougar Moving on May 14, 2019. ORS scheduled a follow-up compliance review for June 21, 2019 as a result of several deficiencies. After the follow-up compliance review, ORS determined Cougar Moving to be in compliance with all Commission rules and regulations.
3. ORS has not received any consumer complaints related to Cougar Moving in the past 12 months.
4. Cougar Moving is in compliance with Annual Report and Gross Receipt filing requirements.
